

An Opportunity to Participate

Mirroring His Image: Transformed Churches Transforming the World A Forum on Biblical Worldview & Wholistic Transformation

May 13-16, 2009, Hong Kong

SPECIAL GREETINGS IN THE PRECIOUS NAME OF OUR LORD JESUS CHRIST!

You are hereby invited to participate in a special gathering of Christian leaders from many different parts of the world. The theme of this gathering is “Mirroring His Image: Transformed Churches Transforming the World.” Every true movement needs to move towards a fixed point of reference. Transformational development is a true movement with the Glory of God not only as the fixed point of reference, but also the way by which transformation happens.

Who is this conference for?

Church and ministry leaders worldwide, who share a passion for church-based transformation, a commitment to a Biblical worldview and a wholistic approach to ministry, and who long to see Christ become incarnate through His Bride in every place, among every people, and within every domain of society until “the knowledge of the glory of the Lord covers the earth as water covers the sea” (Habakkuk 2:14).

What can you expect?

Our prayer and desire is that during our time together the Holy Spirit will enlighten our spiritual eyes and ears that we may see, hear, and comprehend the hope, the richness, the victory, and the calling that each one of us have in Christ Jesus, especially in such a time as this.

During the course of our time together we will:

- Pray and fast together
- Fellowship and encourage one another
- Share updates and stories
- Exchange practical insights and best practices
- Explore church models that demonstrate the strategic role of the church in bringing societal transformation
- Facilitate opportunities for regional meetings to advance national and continental training initiatives
- Create opportunities for regions to meet and plan for national and continental initiatives
