

We want to equip Christian women in every sphere of life: church, community, family and business – to contribute effectively to God’s purposes and plans.

We aim to encourage and connect women leaders of all ages to release their talent and gifting, to plan strategically and be a voice on issues impacting women and girls.

The Women’s Commission represents over 300 million women and girls in 129 nations.

THE WOMEN’S COMMISSION
OF THE WORLD EVANGELICAL ALLIANCE

WHAT WE DO

Our priorities are:

To develop confident, Godly leadership in women in every sphere of life

To develop sound Biblical literacy on gender and equality

To advocate on issues such as violence, trafficking, education and families.

Go to worldea.org/wc for resources, news and discussion, including links to groups doing great work.

HOW WE WORK

We work with evangelical churches and also partner with groups from the wider church and beyond.

We are a commission of the World Evangelical Alliance (WEA)* and operate in 7 regions – Europe, the Pacific, Latin America, Africa, Asia, the Caribbean and the Middle East.

Find out more about your region at worldevangelicals.org/wc. Click on 'Who We Are'.

*The WEA is a global body with over 160 years experience in promoting church unity, equipping churches to be effective in mission and speaking out on crucial issues.
